Comments:-----

P.S.: If you have already obtained a **quote from us prior to this order, please mention that quote and price.** You can add more instructions or requested modifications on a separate sheet. Please note all custom orders are non-changeable and non-cancelable after the synthesis has commenced. Any shipping or q.c. problems with the peptides must be reported within 15 days. No price change will be performed without your approval. Peptide delivery time is the best estimates but may change if there are unusual difficulties in peptide synthesis, purification or q.c. All peptides are quoted on gross weight basis unless specified otherwise.
